

Brand Guidelines

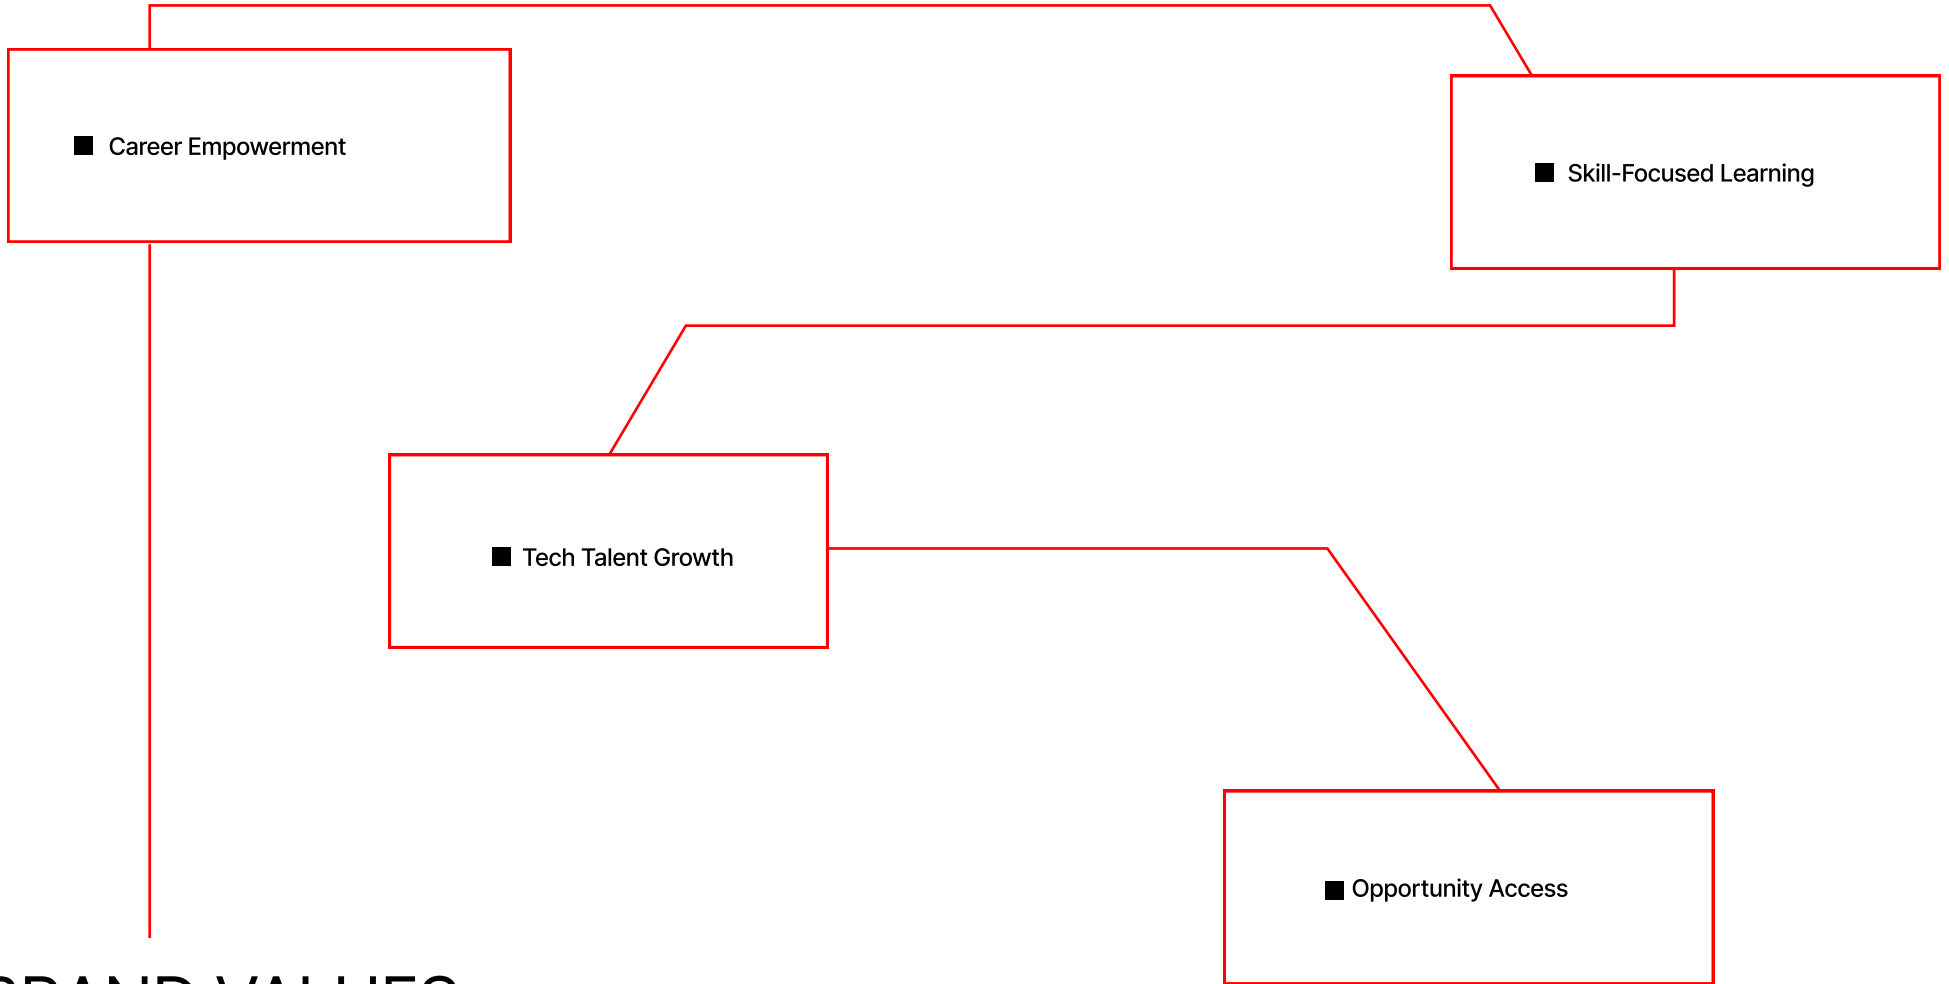

The background features a repeating pattern of graduation caps (mortarboards) connected by circuit-like lines, all overlaid on a faint map of the African continent. The pattern is rendered in a light gray color against a dark background.

This branding document outlines the core visual and conceptual elements that define the Educ8Africa brand. It serves as a guide to ensure consistency across all design and communication materials. From logo symbolism and typography to color usage and tone, each component reflects Educ8Africa's mission to empower African talent through cutting-edge tech education. This identity is bold, future-focused, and rooted in the continent's growth — communicating both credibility and purpose at every touchpoint.
